“ I worked with Shawn in North Dakota and found him to be a very kind and humorous person. He always had something funny to say that would lift your spirits on a bad day. I was shocked and saddened to hear that he had passed away. My thoughts and prayers go out to his family and especially his children who he talked about all the time while he was working in North Dakota. God speed, Shawn!

“ Children are a gift from God , they are ours for a time. When He is ready for them to come home, He calls them. We are not ready to let them go . But He is in command ... I can't imagine losing a child, my heart goes out to the family. He was a fine young man, you can be proud.

“ The gates of Heaven opened and Wanda took Shawn's hand and welcomed him home. Each of you is in our thoughts and prayers as you mourn the loss of such a wonderful young man. There are no words to ease your pain; I hope you can find some comfort in knowing that someday he will be the one taking your hand as you walk through the gates of Heaven. Till then he will watch over each of you as he is now your guardian angel.
