“ Dear Mary and Jenna,
Sometimes I would give my friend, Judy, a ride home after work at the drugstore and I would see your dad/grandpa there. Although I never got to know him I could tell he was a very kind person and he always seemed so calm. Judy enjoyed working there and he was so kind to her. I pray God will keep you and comfort you at this difficult time.

“ We remember Jonathan showing us your town and how he proudly pointed out all the places of his grandfathers businesses and church and local restaurant hangout. Brenna's delight in seeing Johns photo on the wall and his grandfathers smiling greeting at the eatery have happy fond memories for her and us. So glad we had the chance to meet this great man. We are very saddened for your loss.
