“ Pappy ❤️❤️

More of a father to me than any man ever could be. Loved all of his grandkids and great grandkids so much. No matter what we did, we were always his babies. Pappy raised me then came along my Baby, his baby girl KK. Thank God for all the years I had him here to love and protect me and make me laugh and to keep me out of trouble. I will miss him and think about him every day for the rest of my life until I can see him again in heaven.
