“ I cared for Hilda at the beginning of my nursing career in 1973. I was 19 years old, and working my first Christmas. Hilda was sweet enough to bring me lovely Christmas tree ornaments made of felt. I didn't see Hilda again until 2014, the year of my retirement. I will always remember her sweet smile, and her lovely disposition. I hang her ornaments every year on my tree, and remember sweet Hilda. Many prayers to your family. With sincerest sympathy, Bridget Scarbin

“ Judy and families, you probably don't remember me. I went to school with you two at Clouston, and Cameron High. I remember Judy bringing her mom's date pinwheel cookies for lunch. Many found memories. May she be at peace now. Love to all. Connie Woodruff Brown.
