“ Dear Kitty was in my Mary Kay unit for a number of years and was always very pleasant. Kitty would always greet you with a beautiful smile. We went to Elby's many times after the meeting and we would always enjoy our time together. She loved using Mary Kay and the last time I heard from her was in February of 2011. I'm sorry I didn't know she was in Warwood I would have gone to see her. My deepest sympathy goes out to her family. Arlene Stupak

“ Good things I remember about my Grandma: Spaghetti dates just the two of us at Elby's; The snow covered evergreen tree outside her window; pillow gum; pearl necklaces and dangly earbobs; Bearnstein Bear's book and toy car in the den on the 70's green carpet; a weird smelling basement; sticky buns with milk; piano music; and my favorite "Well Hello Dear" anytime I talked to her on the phone. And this needs to be edited, she has 5 great grandchildren. Three from me, two from Stevie.
