“ Dear Family, You are so blessed to have had your loved one for this long. I was at the Care Center, and I probably met your loved one, because I went around to see everyone and tried to make them laugh because it makes me feel good and I hope it makes them feel good, too. I probably know some of you because I used to work at the Convenient at Powhatan in the meat department for years. It was her time to go, she is up there with my husband waiting for us. Only God knows , we all are born to die, just some alittle sooner than others. God Bless and keep your chin up. With sympathy and understanding, Linda Joksimovic (Fuchs)

“ *My deepest sympathy to Verna, Mike and his family. I have good memories of Aunt Liz as I was growing up. Such a kind and genuine lady and a lady she was. The graveside services were very nice today and I am so glad was I was able to visit her on Wednesday in Woodsfield. May God bless the family and they know that they are in my thoughts and prayers. I only have one Aunt left in NJ, and I was honored to have Aunt Liz. as my Aunt*
