“ Dear Grandma Ice, You are a wonderful lady with a heart of gold. You have always been one of my favorite people. You are a blessing from GOD, and now that it has come time for you to leave this world and go with our maker, I know that you are up in heaven watching over your wonderful family. I will miss you always. I love you G-ma Ice and your family as well. Rest in Peace you sweet sweet lady. And to your loved ones you left behind, You all are in my thoughts and prayers in this hard time, I am deeply sorry for your loss of a wonderful mother and grandma. No word at this time can heal your pain and sorrows, just know that I'm here if any of you need anything at all. And that Jesus just received a wonderful lady in heaven, and she's up there watching over you all. I love you all

“ My dearest Kathryn, I just got the news a few hours ago that you were gone, and I'm asking myself... "how will I move on"? I love you so much! You were the sweetest person I knew. You never hated anyone or anything, no bitterness or anger, just a wonderful lady who loved the world. You would turn the other cheek no matter what anyone did or tried to do to you. You were always there without question or hesitation. Having you in my life felt as wonderful as a baby being placed in his/her mother's arms for the very first time. There's no explanation of the pain I feel. So many people loved you and are mourning your loss. And even though we all know that you're no longer suffering, we are still lost. Your whole family are the greatest people I know, "next to you". And the reason for that is because of "you". You were the glue that held everyone together. Please rest peacefully, I love you!
