“ Twila and family,
We are sorry to hear of your Mom and grandma's passing. She was very dear to me. Without knowing she passed, Bart and I were talking about her this morning and how loved she was at school. She made every morning special for many of the teachers there. You have shown us what it's like to take wonderful care of a loved one. God has and will continue to bless you for your love and care that you gave to her. Our thoughts and prayers are with you all as you lay your dear one to rest. Love Bart & Joyce
