*So sorry to hear of this great loss to the New Martinsville community and the mother of Jihn, Sherry and Terri. She and their father were two of the best parents of which to work, bsck in the days of Sherry showing off all of those fantastic skills that anchored those great basketball teams in the early 80s at MHS. We always new that there would be great passion to win in the crowd behind us, when the whistle blew. May God rest And keep this great Magnolian, and may his perpetual light shine upon her and that beautiful smile.*

*If I had a nickel for every popsicle or treat Kay gave me for a boo boo, hurt feelings or just because "it was a beautiful day in the neighborhood," as she would say, I would be a rich woman! Growing up on Anson Street with her watching over me was priceless and I will remember her cheerfulness and kind heart forever. Love you Terri, Shari and John!*
