“ Jack was a friend of my father in laws, and cut his and my husbands hair for years. In continuing with the family tradition, he was the first barber to cut my sons hair after his first birthday. He will be missed. My condolences to his family.

“ Jack cut the hair of my daughters and myself for years. There was just no one else we would trust to do it. He even occasionally came up to our house in Woodsfield to cut it. You were always in a much better mood after seeing Jack. We will remember his jokes and his laughter. So sorry for his children and grandchildren. I'm sure he made a wonderful grandpa!

“ *Hearing the news got me thinking of all the wonderful times out at the creek camp in Ohio way back in the 80's. Jack was always the life of the party, smiling and laughing. Last year when Turk died, he came to comfort us even as his own health declined. Take comfort that he is no longer suffering. RIP Jack Scott.*

“ *So very sad to hear this.... Jack was the first person to ever cut my hair at his house in Paden City, and I went to him from that time until he moved away from New Martinsville. You will be missed by so many, Jack. Love & prayers to the family.*

“ I am so sorry for your loss. I loved to visit Jack's shop for a great haircut, but just as much to listen to his great stories. Jack was always smiling and I know he cared greatly for his family. He will be missed.
