“ I have been blessed with so many memories of my precious sister when I was very young. She was always there for me and I will never forget. Our last phone call was so difficult yet she found a way to make it ok. Every conversation with Jackie made my day so much brighter. Her smile warm laughter and generous hugs will remain with us all. Our love and prayers go out to all of you everyday. Ruth Ann

“ *"She was so nice and I loved her so much!" Taylor*

Taylor summed it up nicely this morning. Jackie was an amazing woman with so much love and energy to give to her family and grandchildren. We will miss Jackie whole heartedly and we ache for Ron, Carrie, MiMi and Rick.

We will always remember her smile, her boisterous laugh, her rice crispy treats, her amazing and youthful energy, all her positivity and how much love she had for her family. She will be deeply missed!

“ *I have so many memories of Jackie working at AEP. She had a contagious laugh but it seems I was always the one getting in trouble. I watched her loving children grow up and get married, then saw her become a wonderful Grandma. She loved all her children and grandchildren and talked about them all the time. God Bless the entire Sebulsky family. May you find peace at this very difficult time.*

“ I have so many fond memories of Jackie I don't know where to start..... We had some wonderful times working together in the Accounting Department. Her wonderful laugh often got her in trouble as I played the innocent one. I will always remember that nervous giggle of hers..... A wonderful lady and friend. She was always smiling and joking. My condolences to the entire Sebulsky family.

“ My deepest condolences to the entire Sebulsky family. I remember many days running in and around the house with Jackie always around to give us snacks and keep us in line. Woodsdale in those days was the traditional neighborhood of everyone looking out for each other and I fondly recollect on those days now. Peace.

“ Our world will miss Jackie's laugh. I listened many times to my Mother and Jackie talk, they giggled like school girls when they were together. I will always be grateful to Jackie for being there for my Mom, for being her best friend. This Thanksgiving, I will thank God for the time that he shared her with us. Vickie.

“ *I have so many wonderful memories of Mrs. Sebulsky growing up with Carrie in Wheeling. She was the mom who was always there- as a cheerleading coach, Girl Scout troop leader, or volunteering at our school. She had a way of making things extra special for us. She always put her family first, and I know she will be greatly missed. Heidi Joseph*

“ *To me, Mrs. Sebulsky was everything a mother should be. She made such an impression on me from the time I was young, she was such a good role model that I knew when I grew up I wanted to be a mom just like her! I used to love spending the night at your house Care, because I knew in the morning when we woke up , your mom would have already run to Greens Donuts just for us! I am deeply sorry for your loss. Love, Nikki*
