“ Prayers to the family. I'm sorry for the loss of a loved one. I couldn't believe it when I was told but I can say one thing she will forever be in everyone heart and not a day that goes by someone is smiling bc they had a great memory come to their head. I can still hear aunt Jackie always telling me that she was going to tell my dad that I wasn't being good to not let me go to the store with him and of course I'd go to my room crying and when my dad would come in side he would ask what I was crying for and bc I didn't want aunt Jackie to tell him I'd run out and tell him and aunt Jackie would laugh bc she was never going to tell him and of course she knew I'd tell on my self. She is n was an amazing aunt. She had a heart of gold and would help anyone if she could. I do know she will be sadly missed by many but she will never be forgotten. Fly high aunt Jackie and I hope ur having a good time up in heaven with grandma Howell uncle bill and uncle Louie and many other ones. R.I.P

“ She was a wonderful person. Her loss takes me back to memories of my childhood. When she was a special neighbor. I would go to her house and hang out. We had a lot of fun and shared a lot. SHE loved to read and was so smart. So I will say good by for now , in hopes to seen her again someday in a new body..My condolences to her family. GOD bless you all with his comfort....

“ This sweet lady always seemed to have her chin up when I saw her even though I knew she always felt miserable! I picture her up in heaven with no arthritis walking with ease and pain free! Rest easy Aunt Jackie....you will be missed!
