Great, great shots of her. And that wonderful smile in everyone. An opening to her heart, soul, and spirit. E.B., her spirit is now in you. Carry it to the world, and let them all know that you are now and have been a representation of her. Be proud of that ! As they see and know you, they will see and know her. May God Bless All of You!

“ Sorry for your loss Scott and EB. The memories growing up at your house and the fun we had. Even when we were bad she eventually would laugh at us for being stupid. Did not matter what time of day it was, we were always welcome and she always had that smile on her face that let you know that she cared about you. She will be missed by all that knew her and I am just one of the lucky ones that got to know her my entire life. Love you Guys. Prayers and blessings from Eric, Dianne, Roy and Marlene Langen.

“ *Too many fond memories of Mrs. Kreitzer to count. She constantly watched over all of us while we played football in her backyard every summer, while we waited at the bus stop every morning, and always let us know when that first street light came on so we could race back home before our curfews..*

My deepest and sincerest condolences for your loss.
