“ Jim and our dad were very close friends. Our dad honestly has a lot of close friends, but Jim was different. Our dad broke his hip in January and Jim did everything he could to make sure he was comfortable afterwards. He checked in on him all the time and brought him a chair that Dad could get in and out of easier. Before and after the hip accident, Jim was at Dad's house every time we came over for a visit. If they weren't visiting in person, they were talking on the phone. Jim was such a fun and wonderful person and he'll be so missed by so many.

My cousin Jim sang at our wedding in 1984. I'll always remember his wonderful voice.
