He and his brother George were always arguing about who was going to marry me, funny now!! We had some fun times, and the Carney family get together's were always entertaining, as we the Carney's know!! Many memories and I will never forget him. RIP dear cousin Patty

“ To say the least my cousin Jim was ‘A Free Spirit’ always willing to do anything. The trip to Juárez, Mexico stands out among many adventures (bull fighting on Easter Sunday, as Jim said ‘Matador=3, Bulls=0’).

He was passionate about his commitment to helping others, especially those in need. A quote he once gave me still resonates today, ‘A society is measured by how we treat the disadvantaged’. His smile, laugh, charm and positive attitude will endure. I was lucky to have known him. He made me a better person. I will think of him every day for the rest of my life. Fortunately, I have enough memories to last me.

Rest in peace.

Love, George
