“ *Class of 1977. I had the pleasure to be a friend of Jim's. We wouldn't see each other for months at a time , be it passing by in our trucks or in a store. Busy beaver or Ace. We would laugh and catch up with whatever going on and shared the good memories. Couldn't miss the big man that he is. But now I will. I pray you're in peace and watching over your family from heaven above. Prayers for strength to your family.*
