“ Jimmy was one of the greatest friends that I ever had. He was a great person, with a heart as big as his truck. Jimmy was the one person in my life that I could call about anything; we took several trips and I treasure every second that we spent together. I had some more on the drawing board that he was entertaining, but now my old buddy is in heaven having the ultimate adventure. Words cannot express my sorrow for all of his friends and family, or the love that I had for him.
