“ So sorry to hear about Jim...When those from Jim's generation pass on, it's always a reminder of the simpler times in Moundsville during those 1960-early 70's summers when going to East End to watch fast pitch softball was a nightly "event". Glad I was able to play at the tail end of those bygone days and get to know those older guys who both were characters and had "character". My thoughts and sympathy go out to all of Jim's family and many friends.

“ Dear Sandy

We had wonderful memories of Jim from camp. What I liked about him was he told it like it was. He never had shoes on in the summer always barefooted. Steve always considered him one of his best buddies. It will be tough not seeing him out there. May God Bless you.& comfort you.
