“ Christy, Levi and Logan, and families, I was saddened to see the posting on Facebook of your brother and father. Not only did I have the pleasure of having you all in school as students, I also had Jamie. As his teacher, I never did call him “Moe.” He was always Jamie to me. He was in my fifth grade class at New Martinsville School and then I had him again when I began teaching 7th and 8th grade. We had many discussions about 4-wheelers, because back then I owned one. He was a pleasure to teach...could be ornery at times, but his smile and happy disposition out-weighed that. Even after graduation, Jamie would always speak to me if he saw me out and about in New Martinsville. One day I was coming out of the post office and ran into him. How excited he was to show me his twin sons in their car seats in their car. Who would have guessed that approximately 10 years later I would be Levi and Logan’s fourth grade teacher and got to greet Jamie at the PTO Open House. Fond memories! My heart goes out to all of you at this difficult time. With sympathy, Mrs. Sarah Yeater

Christy, you were in my 5th grade class the first year I ever taught. 1981-82 I was Miss Mullett , then, in case you didn't recall.

“ I am so sorry for your loss. It was an honor to teach this great guy. On the board instead of writing tomorrow I wrote tomoe. A classmate suggested it and other classes wanted the same word. He was a good student and showed respect. May you RIP. So very sorry for his twin boys. Prayers for all of you.

“ I remember playing in Moey's garage in Steelton when we were very young. He was one of the first friends I ever had, we all loved riding bikes around that neighborhood. Rest In Peace old friend, gone to soon.

“ Moe and Dozer “Lil D”  
He always joked that Lil D was his little buddy — and he truly was. After losing Big Pete, Lil D became the little furry piece of comfort he held close. We'll miss him dearly and pray for strength and healing for all who are hurting. ❤️👍
