“ Janie and I met when we were little girls, She was my first girl friend. I grew up with all brothers and no girls in the neighborhood. I was so happy when Janie moved into the neighborhood in Mozart. We played together almost every day. we lost touch once we were out of school but I always considered her a friend. I will miss her.

“ *Mike and Family....I can't begin to tell you the heartbreak that I feel at this moment. In the last few years I have taken Jane into my heart and have grown to love and respect her. In addition to our other social times together, I especially enjoyed our 'sketty nights' at the Roosevelt.....it will never be the same. I realize that God wanted her home, however, she will be greatly missed by many and still had so much to offer to so many here. Mike, you have been a wonderful husband and have shown your deep love for "your Janie". May God wrap His loving arms around you during these heartbreaking times and give you comfort. My prayers for all. God Bless.....Pug and Sharon Morehead*

Last year in August we shared our 51st reunion and shared many laughs and memories. She was always so positive and brought much happiness to everyone. She will be greatly missed.*

Will miss Jane, She was always a positive lady. Enjoyed time with her even as far back as Sherrard High School. She will be missed for sure by all that were privileged to know her. Prayers to the family.
