“ Jan was a Dear friend of mine for many many years. She wore her heart on her sleeve and was always there for you. We had so much fun together in Pensacola. She injured her eyes and couldn't see a thing, I was visiting didn't know my way around “ we we're the blind leading the blind. I called out the road signs and she would tell me which way to turn needless to say usually lost we laughed and laughed turned around multiple times. Desolate the health issues she was going through she was always there to help her neighbors plus anyone that needed the help. I will miss you Jan till we meet again. Shine your light bright in Heaven I Love You ❤️❤️❤️❤️❤️

“ My dear friend Janice,
it broke my heart to say goodbye. It was so hard to watch you in such pain. To have to ask God to take you from this world and end your pain is one of the hardest things I have ever had to do. The memories of our friendship and laughter will stay with me forever. Oh the fun and adventures we had together! I will celebrate the happiness you brought to this world and having you in my life. I hope you were greeted by loved ones that went before you. My mom always said that funerals are for the living. So we shall celebrate the love and sweetness that you gave to this life. I miss you Thelma.
Love, Louise.

“ Of the many years I spent working at Four Seasons, Janice spent alot of time helping me get my work done. We painted and painted some more (by the way she was a good painter-the playground looked great). We had fun playing volleyball and hanging out at the pool. Then she would feed Randy and I in the evenings. I still laugh at some of the stories she shared around the campfire. Our lives took us in different directions but I thought of her often and will continue to do so.

“ *Janice was a selfless person who took it upon herself to take care of people when they were in the need, especially her friends, before she thought of herself...she never asked, she just did! We will surely miss her beautiful smile, her infectious laugh and her wonderful soul, who is now with God without question! Love you Janice, always & forever.. instilled in my heart, know you are in the best place you can be without pain, sorrow or suffering, and the sadness we feel for ourselves over ur departure will be lifted, knowing we will see each other once again, one day...💕💕*
