“ I only knew Jan about 6 years and a lot of our time together was spent in the hospital with Cheryl. Jan was always here through all of Cheryl's procedures taking care of her and helping around the house. We spent a lot of time in hospital waiting rooms and the hospital cafeteria having lunch or dinner. I don't know how we could have gotten through the past few years without her. Im very grateful for the time we had together. She had a big heart and loved her family tremendously.

“ One of many memories I have of our family is when she would make her cinnamon rolls. All she had to do was call Gary, and no matter what he was into, within ten minutes or so he would show up on our doorstep with a cup of coffee in his hand saying "Did you say cinnamon rolls??" She always knew what made each and every one of us happy!

“ Thank you to everyone for all of your love, help, and support in the last year of our Mom's battle with ALS. That's what family is all about: helping one another and loving unconditionally. It has always been the will of our Mom, Aunt Jan, to keep the family together. I pray that we will still have all of the family events as a whole family to honor her love in being the glue that held us together. There is nothing so important in this earth as God and family. And to everyone who misses her cooking already: I'm willing to make the Christmas Dinner every year, as we did last year, so that we can all come together and continue the joy that her meals would bring. Ham, rolls, cider, cake, pies, goodies, and all!
Love,
Cheryl

“ I would like to extend my deepest sympathy to Jan's husband and family. I took master gardener classes with Jan and worked at gardens with her. I also worked as a temp employee under her supervision. She was a kind, dedicated, and hardworking woman. She dearly loved her family and her Lord. I know she is at peace. I am happy to have known her. God bless

“ I don't know how Aunt Jan dealt with so many Geminis. Our family always love teasing one another in love. Aunt Jan could back a boat trailer on the ramp like a boss! Her house is as warm as her heart was for other people. She was the glue that kept our family so closely knit together. We lost a great Christian woman and heaven gained a mighty warrior. We will take care of your "Chrissy" and girls. Give Auntie H a hug and Uncle Gerald a secret hand shake for us. We love you and will miss you greatly.

“ Always the first birthday card to arrive in the mail was from Aunt Jan & Uncle Chris. My dad would guard the home made cinnamon rolls she would make. Christmas ham and home made rolls will be missed. Crocheted blankets from Aunt Jan for my infant girls are packed away safely for the grandkids.

Between Carol and I, we will try to fill her shoes with the cards, beautiful food, and afghans/crocheted blankets. It makes us feel connected with her due to all the memories of her teaching us everything. She was such an awesome Mom to have!! Through all she taught us, and with the Grace of God, we will be able to carry this knowledge forward. She will always be missed!!
