“ *I am heartbroken to hear this. I have know Janice since our days at Cameron High School. She was a great friend and I feel blessed to have known her.I enjoyed seeing her at our 50th Class Reunion and getting together for coffee afterward. Janice always shared news of our other classmates with me. My sincere condolences to her family.*

I am so sorry for your losing Janice. We began messaging to each other a couple years ago. The last thing she said to me was to pray for her. I did. When she didn't send more messages I knew she wasn't ok, but didn't know who to contact. She will be missed. I know I will our conversations about family and growing up on Fish Creek.

Our family will miss Janice. She was always a friend to us, from the very first day we rented the house below her and Joe on Wolf Run. We joined the church and continued our friendship with her, Joe and the kids throughout the years. She was a very dear and good friend of my mom's and when she moved to St. Mary's she and mom tried to stay in touch as much as possible. She was loved and will be missed.

“ Ah my heart is breaking for you guys. She was a very lovely woman. She sent cards to mom until she passed. And sent me cards of encouragement when both mom and dad were sick. And I was struggling to do it all. She will be missed.

“ *She was the best aunt anyone could ask for. She loved her family and never had an unkind word for anyone. There is a special place for her in heaven I'm sure. I'm so grateful for having her in my life. I will miss our "girl talks" and cherish her sweet smile. Like you always told me, BREATHE. please be at peace now and no more pain.*
