“*I'll always remember the times Jarod and I had together playing basketball and baseball together in the summer while in high school. He was an exceptional talent with an even bigger personality and heart. We hadn't seen each other in years when we ran into each other a few years back in Charleston for the state basketball tournament. We spent quite a while that day reminiscing about our playing days and about our current lives. Prayers to all his family during this time of grieving. RIP Jarod*

*Debbie and I are heartbroken over the news of Jarod's passing. We will always cherish the memories of Jarod and Mike playing basketball and baseball together. We are grateful that we had the opportunity to know Jarod and his family. They were special times in our lives. Jarod was a joy to coach. He was super talented, passionate and was always respectful of the game and to those around him. Anytime our paths crossed, he always took the time to talk and ask how we were doing. Our thoughts and prayers are with you and your family.*

“ I don't know where to begin...I have so many wonderful memories growing up on the lane together. There was never a dull moment whether it was crab apple fights, riding 4-wheelers, go-carts or my wimpy mo-ped. Or playing hide and go seek in the circle, some very intense kickball games and swimming at our pool. For many years we all knew that Jarod had to be the FIRST one in the pool. So we would make sure that he knew exactly when to come and dive into the freezing cold pool. I could go on and on. I will forever cherish my wonderful childhood friend and the memories that I will hold near and dear to my heart. Rest in peace my friend.

When you went on to WVU, Monty had articles in the locker room about you, Matt and Squirrel. He had your stats and how you were doing. We got to track how you first played, started, and got to lead WVU. When you got named Big East Player of the Year it was really eye opening. A kid from my school... he did that. Then you got drafted by the O's. I know coach was proud of you as was the whole valley. We rooted to you to make it. You made the rest of us proud of you. “ Larry and Jana so sorry for your loss. Larry I will never forget the John Marshall baseball game against Elkins who had the best pitcher in the state. It started with trapper was walked. Then Chad got a hit and drove trapper in to tie the game . Then Jarod came up to bat. And yes Jarod drove Chad in game over off to State playoffs. Larry a lot of great times. I just loved Jarod . Every time I would see him he would take time to stop and talk to me . Really meant a lot to me. Great young man. Sending all my love Bob McKown.

“ My heart is broken for the family. He had such leadership and charisma from the time we met at 6 years old. My memories of him are filled with his smile, his talent, and the joy he gave so many. I am so terribly sorry for his daughter, his parents, Josh, and every that was touched by him.
