“ Dear Laura, Micheal, family and friends, I am so, so sorry for your loss. When we were growing up on Snedecker Road, all playing together at each other's houses, Jason may have been Micheal's little brother, but he was like a little brother to us all. Love, hugs, and prayers for all!  
Sincerely,

“ I met Jason my freshman year in college. The girls seemed drawn to him and his golden locks so I wanted to hate him, but I couldn't. He was too easy-going with a deprecating sense of humor. It's been twenty years since I've seen him but if I bumped into him today, it would have been like we were just walking back to McAuley Hall together. He was genuine. My condolences for everyone who was close to him.
