“ I new Jason when he was a little boy he lived across the street from me and my parents.Always such a happy little boy.Then years later we crossed paths again on Facebook .He was always so nice,we talked on occasion.I just got home from vacation and saw that in the paper about him,and I could not find info in the paper so I confirmed it on facebook.I was shocked to hear of his passing.Your family has my deepest sympathy and my you rest in peace of the house of the good Lord now.I shall miss our conversations on facebook.
