“ *Saddened to hear about Jay this morning.. He was one of the short list of older "Good Guys" who passed thru my life,. especially when it came to playing sandlot or organized sports at East End, Sanford Playground, or Spurr Playground. A character who had character.. I'm sure he'll be missed and remembered by many. My thoughts and sympathy got out to all of his family members and many friends. Jay deserved better in life, and those who loved him deserved to have him around longer*

“ *I am so sorry for your loss of Jay. He was like a Dad to me. Some of my fondest memories were playing softball for him and spending time at the Jeffers house. Everyone was family when they were with Jay and Kathy and the girls. My heart hurts for all of you and saying many prayers. Love Briony*
