“ Dear Ones --

Please accept my condolence upon the passing of your dear one. Even though I saw her only on the day of her passing, I shall never forget her beautiful, thick long hair. She seemed very much at peace when I visited.

May God's peace and blessings be yours during this most tender season; and, may He give you many lovely memories, so that you may always have roses in December.

Ever hoping . . .

Always in Jesus,

God's peace be with the family at this time and always. I'm glad to have met her but sorry it was such a long time ago. May she fly with the angels knowing she will never have pain or sorrow again. My condolences to you Linda, Lissa and family.
