“ Jean was such a dear mother-in-law She was very creative and loved flowers and plants. We shared that in common. She was especially fond of her 6 grandchildren, and took delight in their accomplishments. I am blessed to have known her in my life, and will miss her dearly. I am especially fond of the times when she was in NH, and we had a chance to spend time together. ~Love <3 BJ

*Missing my forever friend and second "mom." I always enjoyed our talks and she was my partner in crime on our days on the willowbrook board. I will miss her dearly, but will always have a smile knowing I was blessed to have known her. I promise to always be there for Jody, until we all meet again.... God bless you Jean~I love you!~Janice Zeller 💔*
