“ I spent many hours working with Jeff at the prison and at Northern. He never appeared to get excited about a lot, But just when you'd think a conversation was done, he'd come out with something and have us all rolling. I'll miss hearing him calling me "Jimmer". I pray all of you can find peace for your hearts.

“ Sorry about Jeff. Each death from those who I knew in my young adulthood reminds me of simpler times in this world, when we all thought we'd live forever. Jeff was one of the characters from those days who had "character". My thoughts and sympathy go out to Daunetta, Brad, and the rest of Jeff's family and many friends.
