“ So sorry to hear of Jeffs passing. It's been a good while since I've seen him. As cousins we've shared many memories. The fondest that come to mind were those at Christmas. Jeff got so much stuff! As we grew older we continued to see each out and talk of family and events. My thoughts and prayers go out to his daughters. RIP cuz. You will be missed.

“ Surprised and sorry to hear about Jeff. Although I haven't seen him often in a couple years, he was always the same ol' Jeff who I knew from the 70's. I'll never forget our Myrtle Beach trip in the summer of 1974 with the late Hank Henderson and others. Wow, where did those 50 years go? Brings a tear and a smile at the same time. My thoughts and sympathy go out to his family and many friends.

I was so surprised and sad to hear of Jeff's passing. He was one of the most honest, insightful, humorous and fun-loving people I know. He was a very dear and loyal friend to me for many years. I loved listening to his stories about his life, the center of which was his family. Martha, he admired and loved you so much. He had great appreciation for you and Rudy for your commitment to the family. Holly and Brittany, he was so very proud of you and your families. His eyes sparkled when he talked about his girls and his grandkids. You meant the world to your dad. May God bless and comfort you in these sad days.
