“ I'm sorry for your loss. Jeff and I went to High School together. Our Mothers were friends and had been for years. After Evelyn passed Jeff continued to keep in touch with my Mom. When my son decided to get married Jeff was kind enough to perform the ceremony. He was a kind and caring person. You have my deepest sympathy.

“ so sorry to hear about your Dad's passing. We have been long time friends for many years and listened faithfully while he worked at WANB Radio out of Waynesburg, PA. Loved his trivia questions and won concert tickets, twice. He was a person who was caring and had a heart of gold. I missed him when he left the station, but we kept in touch. May you Rest In Peace, Jeff, and Soar High, my friend. I will miss you and our chats.
