“ Lifetime lesson given to me by Aunt Jer will always be, there's nothing you can't take apart or fix with a butter knife!
A butter knife has always been and will always be the main tool in my tool box of life!
There wasn't anything she couldn't do, from wallpaper to plumbing..... It's because of her, I will try anything and if I don't know how, well I'll figure it out!!
Her house was always the one place I felt safe as a kid.... I don't have many memories from my childhood, but I always remember how excited I was to go to Aunt Jeri's! She loved me just like I was over of her own!!
