My farming buddy and one of my right hand helpers. You are more like a son or brother to me than a brother-in-law. We spent a lot of time together doing things we liked to do. If everyone's family had someone like you this world would be a better place. I know you are farming now and got the radio on. Do what you can and I'll be there to help you sometime.

I will never forget the last time I saw Jug at the fair this year & how he laughed & smiled and he was so very proud of Brayden showing his first calf! It was so priceless to see him glow with such Love in his heart for his Grandchildren. You are gone from many too soon Jug but you will never be forgotten!!

“ You know t is always sad to lose a loved one so young. But Jug was a special young man from the start of his life. We lived across the street from his family in Steinersville and what a ornery baby Jug was. He would be bare footed and with just his diaper on and down the ash hill he would roll over and over again. And spit that chew he had in his mouth and just grin and smile whenever said to take the chew out!!

*Angel and family we are so so sorry for your loss of a great man.
