“ From Steve
Jerry Lee is the most beautiful soul and wonderful mother that I
have ever met. I knew her for far, far too short of a time. Still, I do
remember some fun times that we shared. I remember what a great
time we had at Medieval Times and other places. But the real
beauty of Jerry Lee was just being in her presence. A true
humanitarian, who genuinely loved people. The truth is, I can't even
find the words to describe the high place that I hold for her in my
heart, mind and soul.
God Bless Jerry Lee, Her Wonderful Family, Her Friends and Pets.

I would like to make a suggestion that someone add pictures of
Jerry Lee on this site when she was a teenager and in her 20's and
30's.

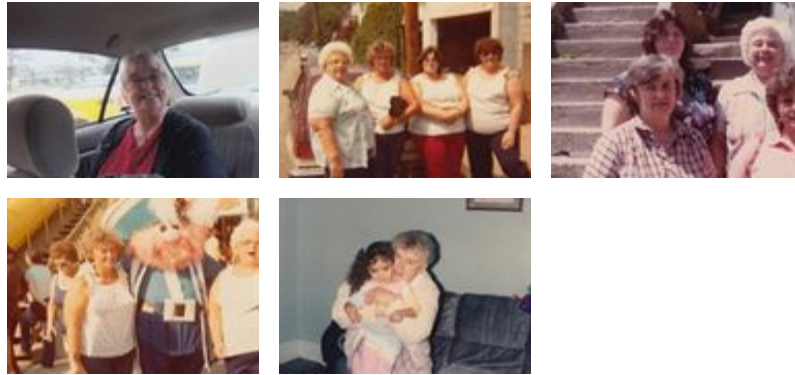

One last thing, literally billions of people worldwide have had
afterlife experiences, verifying that there is a Magnificent Afterlife in
Heaven. One research study after another has verified this. Millions
of people in this country have had afterlife experiences, I'm one of
them, but most in this country are still afraid to talk about it ... Rest
In Peace ? Not in Heaven. Jerry Lee is with her Mother, Theresa,
her Dad, Carl, other relatives, friends and pets. And much, much
more awaits Jerry Lee in Heaven. Just know that all of you will be
with Jerry Lee again, and be in the presence of this wonderful and
beautiful woman once again.

..... SMILE Steve
