“ Sandy and I are so sorry for your loss. This man found my sister and treated her as a queen. Jerry gave her a life she searched for her entire life. He loved her as much as a person could love another human being. God Bless you, Jerry, and thank you for giving my sister the life and love she yearned for. You will be sadly missed, but Terry is so happy that you've come to be by her side once again. We love you.
