I'm still processing this news. Jessie you are missed by many. You were a beautiful child that grew into a beautiful woman that never got to see her full potential on this earth. Till we meet again.

I,m still in shock and grief no matter that almost 2years have passed since u went to heaven . sometimes the thoughts are bittersweet on the fun things we did together. Other times the days are heartbroken for the rough times u had in your short life. I often wonder at all the things we are cheated out of by your passing., I miss your laugh. I miss your courage, The things I could and have filled books for the kids so the youngest will learn about you especially the ones I don.t get to see untill they reach 18 and can come to me since I can't go to them. But one way or another I WILL MAKE THEM ALL REMEMBER YOU.!!!
