“ Sorry for the loss of Jessie, she's one person that you never saw without a smile. Loved to play bingo and go on bus trips! Lots of good memories of her, even when I was little. She was always with her MIL, Jane Dobbs! Great cook, and hard worker..

“ To Jessie’s family, I’m sorry to hear of your mom’s passing. She was such a good friend to my mom and dad. I think after my dad passed that she was the glue that held that store together for the last few years. She was a great help to my mom at that time. God bless her.

“ Aunt Jessie,
After my mom (Patty Martin)
Passed away u were there for our family. I know u were there for me. You kept your heart and your home opened for each and every one of us. I know you worried about us like we were your own. You kept up to date on everything. We were invited for all the holidays because I know u cooked just like Mom lol But after you lost your mom, your son and then your husband, I was afraid it was just too much. I could tell how you struggled to be there. To make things for the Moose, to keep going to Rogers to find that special piece of glass and even to the Fostoria conventions and meetings was becoming a burden and unbearable. I feel u saw how well everyone was doing. All of your children were great and we were too. Your body just got too tired and painful. I will always cherish our talks and time. You always made me laugh no matter what. Be at peace. Be pain free. Be with your family. You will always be in my heart. Love you. Suzette
