“ Mike, I'm real sorry to hear about your dad passing. What a great fellow. I remember as a kid in Silver Hill going over to your grandparents house, Estel and Genevieve, and your Dad would be there. He was always fun to be around and enjoyed talking with him any time I ran into him. He will truly be missed.

Joe and your Mom use to run around with my parents when they were dating. Your Mom would stay at my my parents house at times when my Dad was on leave. Although I don't remember this my Mom said Joe dressed up as Santa and made quite the impression. I always enjoyed talking to him.
