“ John was one of my best friends from the Wellness Center family. He always had a warm smile and good stories to share and I loved his passion for his model train collection and transactions. I am deeply saddened and know I will miss talking with him at the gym. My Heartfelt Condolences to JoAnne and Family.

“ Dear Curitti family, I was a walking buddy at the Wellness Center with John. He always had a good story about his train collections, antique collecting, some good places he found to eat-cheap 😊, or his 5 children. He found me a ruby red Dinner set that I use for my Christmas Eve Dinner. He said he was having a hard time getting over COVID and his legs hurt if he walked too much. And he sometimes bought coffee and lunch for the front desk employees at Howard Long. He loved his Mt.Pleasant home. You all have my sympathy, I will always remember him.
