“ *John was a neighbor who became family. He was always there when we needed him. He was kind and funny. I am fortunate to have known John. We will miss him dearly. There are too many stories to try to list any here. Some were good and some bad. Some made us laugh and some made us cry. We will always remember John's smile and laugh. We love you John and pray for your family, that they will have peace and comfort.*
