“ *I had the pleasure of meeting Jay over 30yrs ago when he was making a delivery. Jay was one of those people that you never forget. He and I became good friends. He was always smiling and just made you feel good to be in his company. He use to brag about his children, grand children and his farm all the time. He was one of the best people I have ever had the pleasure of knowing and I will always be thankful for the time that I knew him. Heaven holds a special place for a person like Jay; another angel to watch over the people he loves. God Bless you Jay, you will always be in our hearts.*

“ *Our heartfelt Sympathy & Prayers to Jay's Family*

We were so saddened to hear of Jay's passing. Jay has been a friend of our family for years. Back in the day, Jay had bought a Baja from us for his Son to ride on the family farm. Over the years Jay had graced our table and shared many a meal with us, always a pleasure to be around, a statue of a man, tall and lean but a gentle giant at heart. We will treasure the memories and hold a dear friend in our hearts. Rest in peace, Jay!

“ *I am so sorry to hear about Jay - I grew up out on 250 Pleasant Valley and I actually would babysit John and Kari and Jay would pick me up and take me home - the most sweetest man ever! My heart hurts for you all and I will keep you all in my thoughts and prayers. Also, want to say no matter where over the years I would run in to Jay he was not smiling - that man was always happy. Love you all....*
