“ I worked with John at the Moundsville PO . I started in 1981 as a carrier. I got the best complement from. John as a female carrier. I knew I pass the test with John! John was a very kind man. Last I saw him was over at Melhmans & we chatted for awhile. I also knew his wife Barbara, she was my beautician for several years. John was a big sports fan, I remember him with his transistor radio he had with him while he carried mail. I am sorry to hear of Johns passing. Condolences to his daughter & her family. United with his wife in heaven.

Prayers for the family 🙏.

“ Hard to believe that with Uncle John’s passing, it’s the last of the Original family. My mom was second oldest and Uncle John was youngest. We always thought how handsome he was. Always fun seeing him in church. and he really was funny! So sorry Diane and Barry and Grant for your loss. Maybe Grandma is up there baking her delicious bread and jelly and telling them to stay out of the refrigerator. Love ,Cousin Brenda 🌹

“ Sorry about John. I always enjoyed talking to John and his brother when they were out and about around Moundsville. Like most mailmen, John always had interesting stories about what was going on around town. My thoughts and sympathy go out to his daughter and the rest of his family and many friends.
