“ *So sorry to hear of Mr. Hines passing. I always enjoyed speaking to Mr. Hines. I would meet him frequently on the Wheeling Jogging trail and we would "talk a bit". I always told him that I wanted to be as active, positive and vibrant as he was during my retirement years. I always admired the active life he lived We send our thoughts to the Hines family at this time if loss.*

“ *Jack's Family,*

Jack was a "running buddy" and friend. He was devoted to his wife, running, and being of service to others. We always enjoyed meeting him on the trail and catching up with what was happening with all the running crowd. He and his wife were regulars at Del's and Mitch's runners parties where many tales were told.

Please know that we share in your loss.
