“ *I can not say how happy that I am that John spent the very last week of his brother Jerry's life, with him. They even played cards, argued about which one was the expert on everything, and laughed and shared stories about their childhood. I am so happy knowing he is pain-free and has joined his two brothers, Larry and Jerry in Heaven. Oh how much my heart aches for the loss of John but I know he was surrounded by his children and Judy as he passed. My girls and I will have the memories to comfort us.*
