“ You will be deeply missed, you were a wonderful uncle to my children. We miss all of your jokes. We had a lot of good times. You were a wonderful husband to my sister, a great father to her children, I know my daughter was there to greet you into the gates of heaven. You are our angel. You will never be forgotten.

“ I love john with all my heart. He was a good man, a great husband, great father, and great grandfather, and my life will never be the same without him. He helped me raise my kids and he wasn't even their father. He did so much for me, my heart is aching without him by my side. I love you and miss you forever

“ *John was a very loving uncle to my daughter Tiffany who passes over 10 years ago and he always thought of her whenever she needed him. He was really the type of person to give you the shirt off his back if needed. He will be sadly missed*

“ *John, you will be sadly missed. A wonderful man. Always in good spirits. Loved coming over for visits. Talked about his grandchildren quite often and called the newest one of only a week old "cupcake". I am so sorry you never got the chance to know her while you were here. Please look in on us from time to time. We will miss your bubbly personality and your willingness to always help. We love you.*

“ John was a wonderful man. He has been a wonderful father to me and my brother. John married my mother 25 years ago and raised us as his own. Everytime we went somewhere he would tell them I was his daughter. He loved his grand kids and always asked how they were doing when we talked on the phone. I will miss his smiling face and all of his goofy jokes, and I will miss him making his homemade cookies and pies. He taught me how to ride a bike and how to drive a car. He was more than a step dad, he was a wonderful father and my heart is broken now that he is gone. May he rest in peace
