“ Sorry to hear about Jon. His death brings back memories of going
to Glen Dale Park during the summers of the late 60's and early
70's and playing against the likes of other deceased Glen Dale
playground "legends", Mick Garrison, Cat Whipkey, Jim Polley John
"Knut" Fahey, and Slick Calineger. All with diverse personalities,
but shared the love of basketball. My thoughts and sympathy go out
to all of Mr. Saffel's family and many friends

Carolyn and Family,

Please accept my condolences and my deepest sympathy. I first remember meeting Jon when he started showing up on 7th Street in his beautiful 56 Ford. He was always very interesting to talk to and a pleasure to be around. I appreciated that he always took the time to look me up and come by to say hello when I was set up at a trade show he was attending. He will be missed by many.

Jon: a soft-spoken man who one could be proud to call a friend. We spent many good times traveling to West Liberty basketball games together. He was fierce competitor but a fair and gentle man. I cherished that friendship and will take pride in that knowledge. Sincere sympathy to Carolyn and the entire family.
