“*Our times were cut short from two of the most wonderful people we know. Mary Young brought her friend Joe Ferrell into our lives and we will forever be grateful. There are not enough words to describe our times together sharing memories of hard work, family, retirement, and our chatter of grandkids. We were truly blessed to have known such wonderful people. If we have learned nothing else it is to cherish the time you have with each other today because there are no promises for tomorrow.*”

“ *I am so sorry to hear of Joe's passing. To John and all your brothers and sisters, you have my deepest sympathy. At times like these my mind always goes to the pleasant memories we had from our youth. My Mom would let me off at Ferrell's as she went on to visit her aging mother. We would ride the horses April and Gypsy. We played ball and anything else young boys would do to have fun. Even washing your Grandpa Charlie's car was fun as he rewarded us with a taste of his blackberry wine. To the Ferrell family, I thank you for the wonderful memories and hospitality you always showed to me. Peace be with you all and may Joe rest in Peace,*

“ *We are just so sad. Joe was special to Butch and to me. He warned me about my husband's ways many years ago and I just got so used to him showing up from time to time and passing the time of day. He will be deeply missed and we will keep him and his family in our prayers. Our love to all this se mourning his passing.*
