“ Sorry to hear about Joe. We went to school together and played against each other on the baseball field. Remember Joe had a good curve ball! Haha. 🙏🙏🙏

“ To Theresa, Christina and other relatives and friends of Joe, Saddened and sorry about Joe. His death brought back memories of Little League baseball in the 1960's. Back before players drafts and "travel" ball, we played mostly in wards in Moundsville. It was a lot more fun and competitive, especially when playing the teams up north in the county. Joe was one of the more dominate pitchers, who every team feared during those days. He wasn't a bad hitter also. We also played a year of Church League basketball together. I only saw Joe occasionally as an adult, but always walked away feeling better when we talked. He was a enigmatic and unique individual, who I and many other "boys of the summer" during our childhood will not forget. Thanks for the memories JOE
