“ Charlotte, Katie, and Elmer, my deepest condolences to you all. I know I haven't seen Joe much since we became adults and I left WV. but I still love him. This says share a memory so here goes. We were all playing outside at Uncle Frank and Aunt Betty's, Joe, Flora, Ernest, Mary, Bob, and my self, and I think some of Patty's kids were there. Well, it was really hot outside and we wanted to play in water. Needless to say, there was a nice spot out back with a pipe running water toward it and another pipe on the other side for water to run down over the hill. Somehow, a ball got stuck in that other pipe ad, well we had a nice water hole. We'll never tell which one of the kids stuck the ball there. Boy, did we all get in trouble. So, Joe, as you look down on us from up above, give our Moms a hug. Fly high with the Angels now. I love you and will forever miss you. So many more memories I have with you. Love you cousins. RIP.
